

Hazardous Waste Management Program

Extended Producer Responsibility for all Household Hazardous Waste

Monica Ayers, Policy Liaison

March 13th, 2025

Agenda

Background

- Problem identification
- Definitions
- Current WA legislation
- Other legislative examples

Our initiative

- Vision and objectives
- Current work
- Get involved
- Q&A

The Problem

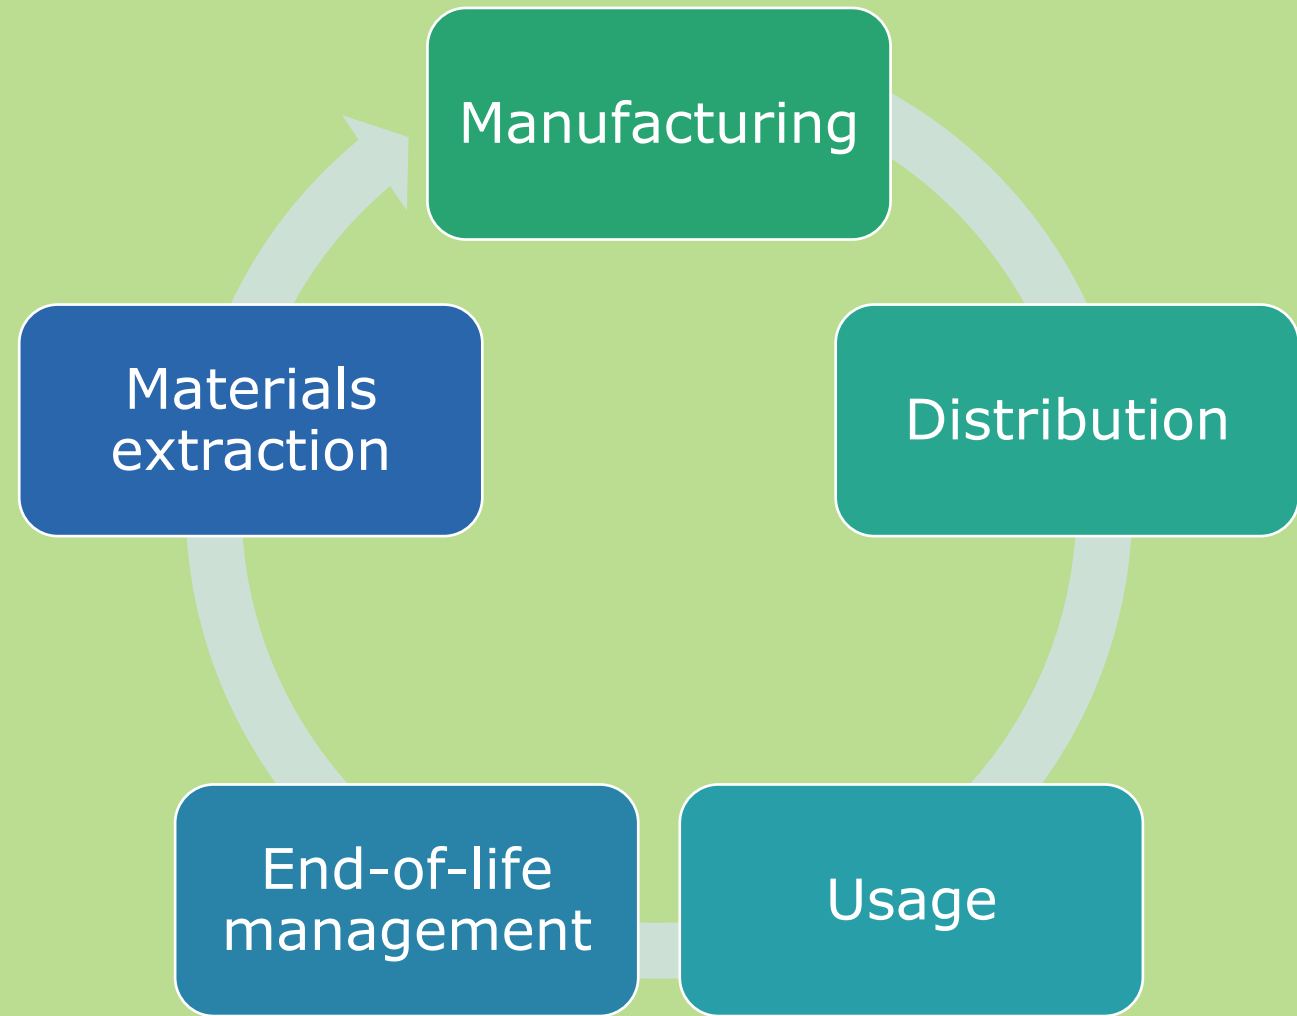

- Inconsistent hazardous waste management
- Inequitable consumer challenges and impacts
- Limited accountability
- Siloed support of EPR for all HHW

**Product
Stewardship
VS.
Extended
Producer
Responsibility**

What are the steps involved for EPR?

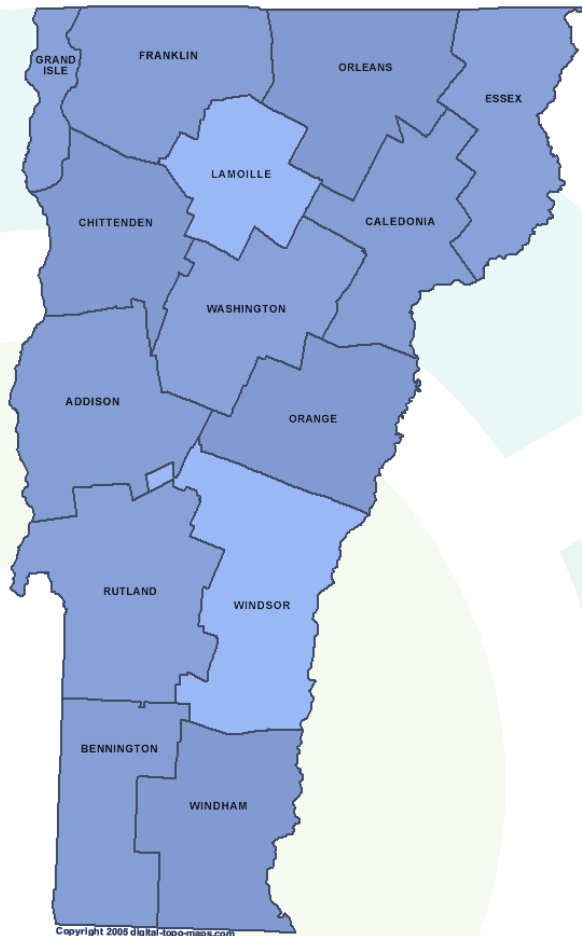

A strategy for end-of-life product management

Existing WA Legislation: Extended Producer Responsibility for Household Hazardous Waste

Other legislative examples

Environmental Justice Communities

- Introducing EPR for all HHW
- Community and interested party engagement
- Reducing inequities

Current work

- Coalition building
- Broader outreach and community engagement
- Ongoing engagement and policy refinement
- EPR for all HHW workgroup (happens monthly– email moayers@kingcounty.gov)

Get involved

- **Coalition building**
- **Broader outreach and community engagement**
- **Ongoing engagement and policy refinement**
